I am attaching a copy of the memorandum the Governor signed November 17, 1995 for a similar payment as well a copy of the most recent check.

I need this document to ensure that our records are complete if examined by the I.G.

*Subsections 27(a), (b) and (d) are effective on December 1, 1990. Subsection 27(f) is effective on June 1, 1991.

THIS CERTIFICATION CONCERNS A MATTER WITHIN THE JURISDICTION OF AN AGENCY OF THE UNITED STATES AND THE MAKING OF A FALSE, FICTITIOUS, OR FRAUDULENT CERTIFICATION MAY RENDER THE MAKER SUBJECT TO PROSECUTION UNDER TITLE 18, UNITED STATES CODE, SECTION 1001.

(End of Certification)

- (d) In making the certification in paragraph (2) of the certificate, the officer or employee of the competing Contractor responsible for the offer or bid, may rely upon a one-time certification from each individual required to submit a certification to the competing Contractor, supplemented by periodic training. These certifications shall be obtained at the earliest possible date

after an individual required to certify begins employment or association with the contractor. If a contractor decides to rely on a certification executed prior to the suspension of section 27 (i.e., prior to December 1, 1989), the Contractor shall ensure that an individual who has so certified is notified that section 27 has been reinstated. These certifications shall be maintained by the Contractor for a period of 6 years from the date a certifying employee's employment with the company ends or, for any agency, representative, or consultant, 6 years from the date such individual ceases to act on behalf of the contractor.

I.3 ORDERING

(FAR 52.216-18; 16.505(a))

(APR 1984)

- (a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders by the individuals or activities designated in the Schedule. Such orders may be issued from 01 October 1993 through 30 September 1994.
- (b) All delivery orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order and this contract, the contract shall control.
- (c) If mailed, a delivery order is considered "issued" when the Government deposits the order in the mail. Orders may be issued orally or by written telecommunications only if authorized in the Schedule.

I.4 DELIVERY-ORDER LIMITATIONS

(FAR 52.216-19; 16.505(b))

(APR 1984)

- (a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than \$100.00, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.
- (b) Maximum order. The Contractor is not obligated to honor --
 - (1) Any order for a single item in excess of \$5,000.00;
 - (2) Any order for a combination of items in excess of \$10,000.00; or
 - (3) A series of orders from the same ordering office within 5 days that together call for quantities exceeding the limitation in subparagraph (1) or (2) above.

- (c) If this is a requirements contract (i.e., includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) above.
- (d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 3 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

I.5 REQUIREMENTS

(FAR 52.216-21; 16.505(d))

(APR 1984)

- (a) This is a requirements contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are estimates only and are not purchased by this contract. Except as this contract may otherwise provide, if the Government's requirements do not result in orders in the quantities described as "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an equitable price adjustment.
- (b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Delivery-Order Limitations clause or elsewhere in this contract, the Contractor shall furnish to the Government all supplies or services specified in the Schedule and called for by orders issued in accordance with the Ordering clause. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.
- (c) Except as this contract otherwise provides, the Government shall order from the Contractor all the supplies or services specified in the Schedule that are required to be purchased by the Government activity or activities specified in the Schedule.
- (d) The Government is not required to purchase from the Contractor requirements in excess of any limit on total orders under this contract.
- (e) If the Government urgently requires delivery of any quantity of an item before the earliest date that delivery may be specified under this contract, and if the Contractor will not accept an order providing for the accelerated delivery, the Government may acquire the urgently required goods or services from another source.

- (f) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the Contractor shall not be required to make any deliveries under this contract after 01 OCT 1994.

I.6 PREFERENCE FOR LABOR SURPLUS AREA CONCERNS (APR 1984)
(FAR 52.220-1; 20.103(b))

- (a) This acquisition is not a set-aside for labor surplus area (LSA) concerns. However, the offeror's status as such a concern may affect (1) entitlement to award in case of tie offers, or (2) offer evaluation in accordance with the Buy American Act clause of this solicitation. In order to determine whether the offeror is entitled to a preference under (1) of (2) above, the offeror must identify, below, the LSA in which the costs to be incurred on account of manufacturing or production (by the offeror or the first-tier subcontractors) amount to more than 50% of the contract price.
- _____
- _____

- (b) Failure to identify the locations as specified above will preclude consideration of the offeror as an LSA concern. If the offeror is awarded a contract as an LSA concern and would not have otherwise qualified for award, the offeror shall perform the contract or cause the contract to be performed in accordance with the obligations of an LSA concern.

I.7 [X] CERTIFICATION OF CLAIMS AND REQUESTS FOR ADJUSTMENT OR RELIEF
(DFARS 252.233-7000; 233.7001) (DEC 1991)

- (a) Any contract claim, request for equitable adjustment to contract terms, request for relief under Public Law 85-804, or other similar request exceeding \$100,000 shall bear, at the time of submission, the following certificate given by a senior company official in charge at the plant or location involved:

I certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of my knowledge and belief; and that the amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable.

(Official's name)

(Title)

- (b) The certification in paragraph (a) of this clause requires full disclosure of all relevant facts, including cost and pricing data.
- (c) The certification requirement in paragraph (a) does not apply to:
- (1) Requests for routine contract payments; for example, those for payment for accepted supplies and services, routine vouchers under cost-reimbursement type contracts, and progress payment invoices; or
 - (2) Final adjustments under incentive provisions of contracts.
- (d) In those situations where no claim certification for the purposes of 10 U.S.C. 2410 has been submitted prior to the inception of a contract dispute, a single certification, using the language prescribed by the Contract Disputes Act but signed by a senior company official in charge at the plant or location involved, will satisfy the certification requirements of both statements.
- (e) If this is a request for equitable adjustment under a substantially completed contract or a completed contract, the certification will be expanded to include the following:

This claim includes only costs for performing the alleged change, and does not include any costs which have already been reimbursed or which have been separately claimed. All indirect costs claimed are properly allocable to the alleged change in accordance with applicable acquisition regulations. I am aware that the submission of a false claim to the Government can result in the assessment of significant criminal and civil penalties and fines.

Board Policy for Certification and Recertification

Descriptor Terms: PROFESSIONAL CERTIFICATION	Descriptor Code: 1000	Issued Date: 8/9/79
	Revises:	Issued:

BOARD POLICY

1000.1 OPERATIONAL PROCEDURES

1000.11 Definitions

1000.111 Incumbent. A person who is on the instructional or administrative staff, or on approved leave, at the effective date of a new certification requirement.

1000.112 Area of Specialty. The teaching or administrative area and level in which a degree or certificate is sought or has been awarded.

1000.113 Year of Training, Undergraduate. Forty-five (45) quarter hours or thirty (30) semester hours of college credit towards a degree or certificate in the area of specialty.

1000.114 Year of Training, Graduate. Forty-five (45) quarter hours or thirty (30) semester hours of graduate college credit towards a degree or certificate in the area of specialty; such training must be in addition to any graduate credit applied toward the earning of a bachelor's degree.

1000.115 Credit Hours Computation. Semester hours are used in computing the amount of training. One (1) quarter hour is equal to two-thirds (2/3) of a semester hour; thus, fifteen (15) quarter hours are equal to ten (10) semester hours.

1000.116 Year of Experience. Each year of teaching experience must be at least seventy-five percent (75%) of a school year in order to be credited. In computing years of experience, employment for less than 50% of a year shall not be counted.

1000.117 Acceptable Grades for Credit. Grades in courses to earn acceptable credit must be passing grades in accordance with the institution where the courses were taken. Cumulative grade averages must be at least "C" (2.0 gpa) for undergraduate level courses and "B" (3.0 gpa) for graduate level courses. Teachers who have a lower cumulative average shall have their total credits reduced to the level necessary to average out to the applicable 2.0 gpa in computing total acceptable credits. This

reduction does not apply where a degree has already been awarded for such credits by an accredited college or university of the United States, its territories or possessions.

1000.113 Course. Whenever a course (or one course) is the specified requirement instead of the number of credit hours, it shall mean that the course must carry a minimum of two (2) semester hours of college credits in order for it to be acceptable (ADOPTED: 2/1/77)

1000.119 Continuing Education Unit. The CEU serves as a unit of measure to give recognition to an individual's participation in non-credit educational activities that meet the appropriate criteria. One Continuing Education Unit is defined as ten contact hours of participation in an organized continuing education experience - under responsible sponsorship, capable direction, and qualified instruction. Continuing Education Units (CEU's) maybe used only for the purpose of renewing Professional Certificates I, II, and III, and when so used three (3) CEU's will count as one (1) semester hour. (ADOPTED: 9/6/83)

1000.12 Responsible Authorities

1000.121 Certification Office. The certification office shall be administratively separate and distinct from the Personnel Office of the Department of Education.

1000.121a Certification Officer. The Superintendent of Education shall appoint a certification officer who shall be directly responsible to the Superintendent of Education and who shall assist the Superintendent in any manner as may be necessary to carry out the duties and responsibilities of implementing laws and regulations pertaining to professional certification.

1000.121b Certification Advisory Council. The Certification Advisory Council shall consist of nine (9) members who shall be appointed by the Superintendent of Education with the approval of the Board. The Council shall consist of six (6) persons employed as certified personnel in public elementary and secondary schools, three (3) of whom shall be full-time classroom teachers, three (3) of whom shall be certified school administrators and three (3) private citizens.

PAGE 3 - PROFESSIONAL CERTIFICATION

With the exception of the three (3) private citizens, the appointment of a member shall terminate if he/she is no longer a certified employee in the public elementary or secondary school.

The Certification Advisory Council shall have the following duties:

- a. To develop standards and procedures for the certification of educational personnel.
- b. To establish sub-committees consisting of representatives from various elements of the educational profession related to each subject or area specialization which will help formulate performance standards for general teaching and other educational specialties.
- c. To develop objectives, independently verifiable standards of measurement and evaluation of teaching competence as it relates to teacher certification.
- d. To develop new or employ existing objective examinations as a measure of subject matter knowledge for the purpose of certifying educational personnel.
- e. To develop objective standards for the identification of specialist teachers.
- f. To monitor and evaluate the results of its action as it relates to the performance of teachers certified under this certification section.
- g. To develop and recommend to the Legislature for its consideration, any necessary or desirable legislation to require the continuing education of certified personnel and the issuance of life credentials.
- h. The council shall transmit a quarterly report of its findings and recommendations to the Superintendent of Education. The Council shall follow policies consistent with the Board's general educational objectives for the territory.
- i. The council shall recommend to the Board for adoption amendments, deletions and additions to those sections of 1000 dealing with the Professional Certification.

1000.112. The Certification Authority is vested in the Superintendent of Education subject to the policies of the Territorial Board of Education and the laws of Guam.

1000.13 General Requirements

1000.131 Requirement to Hold Certificate. All persons employed by the Department of Education in any position for which certification is provided must hold a valid certificate for that position unless otherwise approved by the Board. Failure to hold such certification shall prevent a person from being employed or shall cause immediate dismissal of a person already employed.

1000.131.1 Private School Teachers. Teachers in the private schools on Guam may apply for and receive teaching certificates upon the same terms and conditions as are required of teachers in the public schools, provided that the Board may not require of such teachers that they hold such certificates before they accept or continue employment in the private schools. Such certificates, once granted, may be revoked on the same basis as those granted to teachers in the public schools, except that teachers in the private schools shall not be subject to rules and regulations applicable solely to public schools or to teachers therein. (ADOPTED 1/23/78)

1000.132. Basis for Certification. College credits or degrees to be applied towards fulfilling certification and employment requirements for professional positions in the Department of Education must be from accredited colleges or universities of the United States, or any of its administrative jurisdictions, and shall be accepted as set forth below, notwithstanding any provisions to the contrary contained within the Certification Policy.

If an applicant does not meet Professional I or Professional II Guam Certification, but holds a valid teaching credential from any of the fifty (50) states in the United States and has graduated from an accredited college or university in the United States, said applicant may be granted Professional I Conditional or Professional II Conditional certificate valid for two (2) years non-renewable. The Department of Education is an equal employment opportunity employer as provided under Policy 901.20. (ADOPTED 8/22/83)

1000.132.1 Professional Growth Requirements. Continuing Education Units (CEUs) may only be used for recertification; not reclassification. A certified employee could be recertified by acquiring a specified amount of academic units (e.g. 6 semester hours), or a specified amount of CEU credits (e.g. 6 semester hours), or a specified amount of CEU credits (e.g. 13 CEUs), or a combination of the two. Examples of this would be:

1 academic hour	+	15 CEUs
2 academic hours	+	12 CEUs
3 academic hours	+	9 CEUs
4 academic hours	+	6 CEUs
5 academic hours	+	3 CEUs

In no case would an employee be allowed to utilize CEUs for the purpose of reclassification (e.g. moving from Teacher V to Teacher VI). Thus, 3 CEUs could not be counted as 1 academic credit for reclassification purposes.

For CEUs to be counted for recertification, they must be acquired from a program which belongs to the Council on the Continuing Education Unit. It will be the employee's responsibility to provide an official transcript to the Certification Office for this purpose. ADOPTED 9/6/83.

1000.1321 Holders of Degrees from NCATE-Accredited Institutions. Holders of valid teaching certificates from any of the fifty (50) states in the United States, or any of its administrative jurisdictions, and whose degree had been awarded by an institution accredited by the National Council for Accreditation of Teacher Education (NCATE) shall be eligible for a Guam Professional I teaching certificate without regard to credit and course requirements as set forth under Sections 1000.21, 1000.22, 1000.24, 1000.31, 1000.32 and 1000.33. Other qualifications or requirements mandated in other sections of the Certification Policy must be met, however.

1000.1322. Graduates of Foreign Institutions of Higher Learning. Graduates of foreign institutions of higher learning, to be granted a certificate, must meet the Professional I certification requirements of this policy, AND show evidence of the satisfactory completion (grade of "C" or better for undergraduate students, and "B" or better for graduate students) of the following courses, or their equivalent, at an accredited institution of higher education in the United States, or any of its administrative jurisdictions.

SUBJECT: Contract Number N61119-93-C-0064 Between the Department of Defense and the
Guam Department of Deduction

Attached is a letter from Mrs. Rosie R. Tainatongo requesting final payment in the amount
of \$400,000 for actual recruitment costs incurred.

Please be aware that I have already paid them \$12,000,000 for the educational portion of
the contract. Request that a modification be done to Contract Number N61119-93-C-0064 to
reflect the cost for recruitment and reduction of the \$355,360 (\$12,000,000 - \$11,644,640,
overpayment for the educational services) from the overall recruitment cost. This results in a final
payment of \$44,640 (\$400,000 - \$355,360).

Additionally, I request a further modification to the contract reflecting a reduction of the
remaining \$1,600,000.

Please prepare the modification requested as soon as possible. Funds are urgently needed

MEMORANDUM FOR CONTRACTING OFFICER, FISC NORFOLK DETACHMENT
PHILADELPHIA

SUBJECT: Contract Number N61119-93-C-0064 Between the Department of Defense and the
Guam Department of Deduction

Attached is a letter from Mrs. Rosie R. Tainatongo informing me that the enrollment of eligible students to for School Year 1995-1996 was 1967. Request that a modification be done to Contract Number N61119-93-C-0064 to reduce the estimated tuition amount of \$15,984,000 by \$4,339,360 (733 x \$5,920) to \$11,644,640.

Please be aware that I have already paid them \$12,000,000 for the educational portion of the contract. However, I have not paid them any portion of the \$2 million for the recruitment costs. It is most likely that they will not use all of the \$2 million, but I will not know for sure until a later date (before the end of the fiscal year). At that time I will request that another modification be done to reflect the cost for recruitment and reduction of the \$355,360 (\$12,000,000 - \$11,644,640). I have overpaid them for the educational portion from the overall recruitment cost.

Please prepare the modification requested as soon as possible. Funds are urgently needed for other areas. Thank you for your assistance in this matter.

Hector O. Nevarez, Ph.D.
Director

RE: FREEDOM OF INFORMATION REQUEST

DEAR DR. GEORGIA WILLIAM-SCAIFE,

THIS IS A REQUEST UNDER THE FEDERAL FREEDOM OF INFORMATION ACT (5 UNITED STATES CODE, SECTION 552).

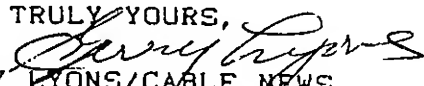

I REQUEST COPIES OF DOCUMENTS INCLUDING BUT NOT LIMITED TO PURCHASE ORDERS PERTAINING TO THE USE OF DEPARTMENT OF DEFENSE FUNDS IN THE GUAM SCHOOL SYSTEM AS ADMINISTERED BY THE DEPARTMENT OF EDUCATION AND/OR THE BOARD OF EDUCATION COVERING THE FISCAL YEARS 95-96, AND 94-95.

WE ARE ALSO ASKING FOR ANY AND ALL COPIES OF DOCUMENTS REQUESTING RE-IMBURSEMENT PURSUANT TO THE CONTRACT FOR TEACHER RECRUITMENT COSTS.

CABLE NEWS WANTS TO DETERMINE HOW MUCH MONEY WAS PROVIDED BY THE DEPARTMENT OF DEFENSE TO GUAM TO BE USED IN THE PUBLIC SCHOOL SYSTEM AND WHAT THE MONEY WAS ACTUALLY USED FOR---FOR EXAMPLE: SUPPLIES, PERSONELL, TEACHERS' SALARIES, ETC.

THESE DOCUMENTS MUST BE DISCLOSED UNDER THE FREEDOM OF INFORMATION ACT BECAUSE THEY INVOLVE EXPENDITURE OF U-S TAXPAYERS' MONEY.

VERY TRULY YOURS,
